BUILDING MATERIAL  
**SUPPLIER**

# OUR MISSION

Rew Materials is a company, with multiple locations, that distributes interior and exterior construction products, some of which we manufacture, throughout most of the United States. We emphasize value added approaches in offering both specialty and commodity products to the commercial and residential building products market.

Our primary goal is to become the preferred supplier of building materials by providing the highest quality products and services in the markets in which we compete. Additionally, we will continue to look for growth opportunities in related product and market arenas.

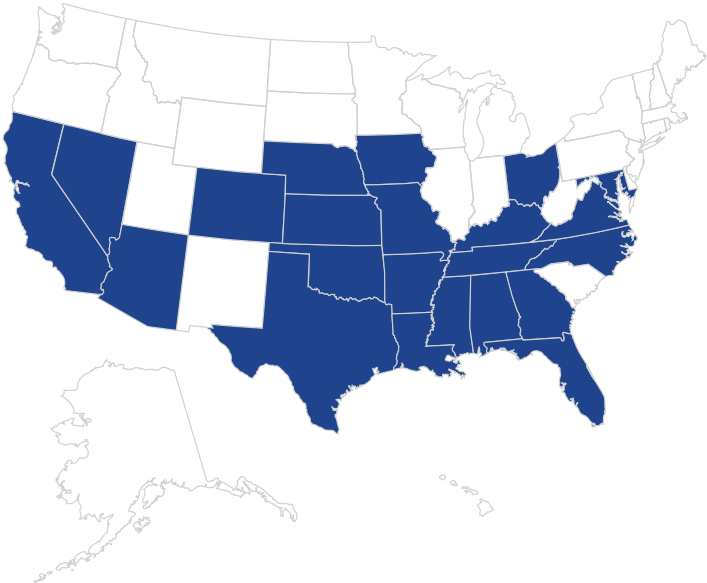

Rew Materials will seek to achieve and maintain profitability and long term stability and growth for all shareholders, employees, customers, suppliers, and the

communities in which we do business. Our business managers and employees will be professional, knowledgeable, and responsive to the needs of our customers, vendors, fellow employees, and shareholders through the effective management of our resources.

We will empower and reward those who assist Rew Materials in the pursuit of our mission. We will treat employees, customers, and suppliers as we expect them to treat us, with fairness, integrity, consistency, and respect. We will be committed to a safe, well organized work environment that is based on a spirit of cooperation, enthusiasm, open communication, and teamwork.

## OUR PRIMARY GOAL

“ To become the preferred supplier of building materials by providing the highest quality products and services. ”
